**Deadlines:** Scholarship requests must be received by the deadlines posted for programs. The earlier you submit, the better your likelihood of receiving our limited funds.

**Program Registration:** The submission of a scholarship application alone does not automatically register a participant for a program or reserve a space in that program. Please submit a registration form and pay a deposit along with your scholarship application. Once a decision has been made on your application call back within two weeks to accept your award or to receive a refund of your deposit.

**Please return this form along with the attached camp registration form at least 4 weeks prior to the program that you are applying for. We can not reserve space in a camp without a deposit for 25% of the program cost.**
